

OKLAHOMA WATER RESOURCES CENTER: ENHANCING STUDENT WATER RESEARCH AND EDUCATION EXPERIENCES

Garey Fox, Ph.D., P.E., D.WRE
Director and Berry Endowed Professor

Leslie Elmore
Program Coordinator

ANNUAL STUDENT WATER CONFERENCE

- ❑ 5th Annual Event this Year – March 24-25, 2016
 - ❑ Tied to OSU Water Week and UN World Water Day (Water and Jobs)
- ❑ Travel assistantships provided to students from outside OSU:
- ❑ Only student presentations judged by faculty members with awards for outstanding student presentations

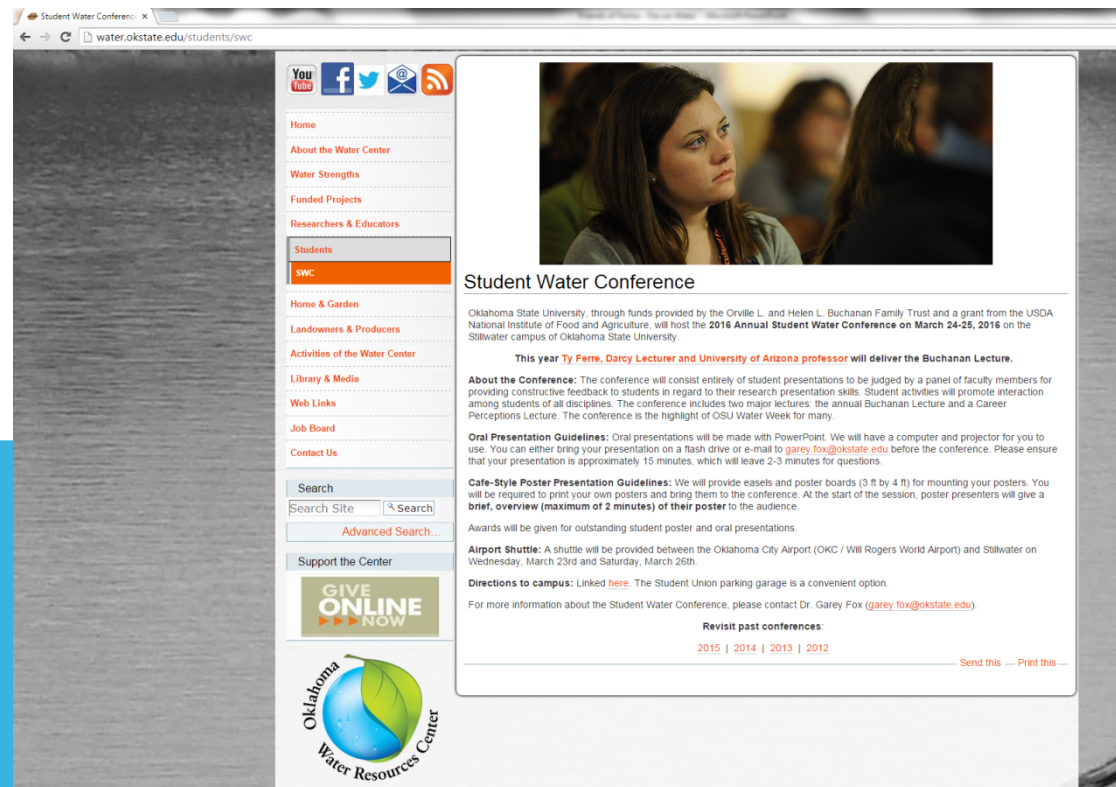

ANNUAL STUDENT WATER CONFERENCE

- ☐ Professional development activities
- ☐ Buchanan Lecture and career lectures each year – Dr. Ty Ferré
- ☐ Approximately 50 students attend each year:
 - ☐ 50-60% in-state, 40-50% out-of-state (Alaska, Maine, Hawaii)

- ☐ How you can help?
 - ☐ Advertise and help promote the event to your students!
 - ☐ <http://water.okstate.edu>

NSF RESEARCH EXPERIENCE FOR UNDERGRADUATES (REU)

- ❑ Water Center led for 10 weeks in summers of '15, '16, '17
- ❑ Six other water faculty from across OSU as faculty mentors
- ❑ Projects focus on stream restoration/rehabilitation
- ❑ How can you help?
 - ❑ Applications due Feb. 15th

How I spent my summer... knee deep in a creek,
in the name of science. (SUNUP, 8/1/15)
